

Invest in Health. Build a Better Future.

Enable a Brighter Future.

Discover how a Mercy Ships Donor-Advised Fund can create lasting impact through life-changing surgery, healthcare training, and stronger health systems across Africa.

Mercy Ships Canada Donor-Advised Funds

Professionally administered in partnership with the Canadian National Christian Foundation (CNCF), Mercy Ships Donor-Advised Funds allow you to align your charitable giving with your values while creating lasting healthcare impact.

Transform Healthcare for Generations

Every year, millions of people lack access to safe surgical care. Conditions that are routinely treated in Canada can become life-altering—or even life-threatening—simply because healthcare services, trained professionals, or essential equipment are unavailable.

For nearly 50 years, Mercy Ships has partnered with African nations to change that reality through life-changing surgery while strengthening healthcare systems through education, training, medical equipment, and long-term partnerships.

Why Choose A Mercy Ships Donor-Advised Fund?

A Mercy Ships Canada Donor-Advised Fund is more than a way to give. It's an opportunity to build a lasting legacy while supporting one of the world's most overlooked healthcare needs.

- Provide life-changing surgical care
- Train doctors, nurses, and healthcare professionals
- Equip hospitals with essential medical equipment
- Strengthen healthcare systems across Africa
- Create lasting change for future generations

Unlike general charitable funds, every dollar is dedicated to advancing Mercy Ships' mission of improving access to safe surgery and strengthening healthcare systems.

Three Ways to Make an Impact

Whether you want to respond to today's greatest healthcare needs, invest in long-term healthcare capacity, or create a lasting charitable legacy, Mercy Ships offers three distinct Donor-Advised Funds designed to reflect your charitable vision:

Programs Advancement Fund

Flexible support where it can deliver the most benefit.

Medical Equipment Fund

Invest in healthcare equipment and support infrastructure for years to come.

Legacy Fund

Create an enduring charitable legacy.

Where Your Values Meet Impact

Do you want your charitable giving to create lasting change, involve future generations, and reflect the values that matter most to you?

A Mercy Ships Donor-Advised Fund makes that possible by combining professional stewardship with a mission that transforms lives through better healthcare.

Flexible Ways to Give

You can contribute a variety of charitable assets, including:

- Cash
- Publicly traded securities
- Estate gifts
- Other eligible charitable assets

Our team can also work with you and your professional advisors to explore charitable strategies that complement your financial, tax, and estate planning goals.

Trusted Stewardship

Mercy Ships Canada Donor-Advised Funds are professionally administered through the Canadian National Christian Foundation (CNCF), providing experienced governance, investment, oversight, and fund administration.

Together, Mercy Ships Canada and CNCF ensure your charitable resources are managed responsibly while advancing meaningful healthcare impact.

Begin Your Legacy

Whether your goal is to respond to today's greatest healthcare needs, create a family tradition of generosity, or establish a lasting charitable legacy, Mercy Ships Canada Donor-Advised Funds offer a meaningful way to make a difference.

We would be honoured to help you explore which fund best aligns with your charitable vision.
